News Title: SHURWID: Response to DSE's query

News: (Continuation news of SHURWID): In the area where our factory is situated the electricity supply from REB is not stable. Load shedding occurs several times in a day which hampers our production process. We remain out of electricity for 3 to 4 hours a day and sometimes the electricity is not there even for the whole day

due to load shedding. Regarding this problem, we reported to the respective electricity supplier both verbally and in written but the result is not fruitful." (end)
